Fire Made Simple

Electric

Authentic Style, Unmatched Ease

There has never been a more economical way to transform your drafty, dated fireplace into an efficient and attractive source of warmth. Keep instant comfort at your fingertips with the intuitive multi-function remote. Firebox accent lighting, textured log set and multiple flame intensity levels enhance the allure. Best of all, enjoy the ambiance with or without the heat for year-round use. This is "Fire Made Simple."

Features

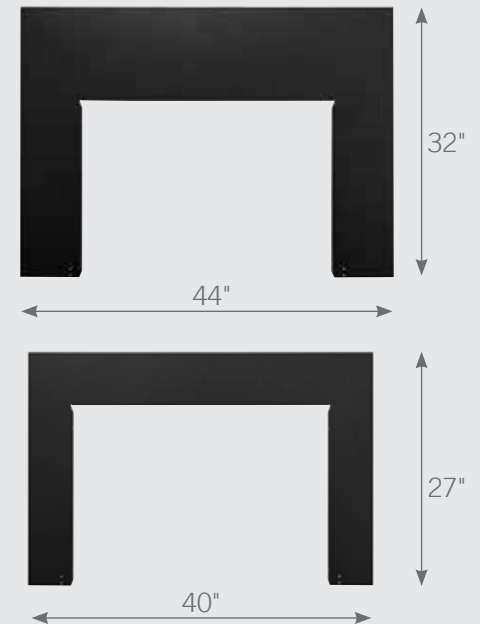

- Adjustable heat that costs just pennies an hour to operate
- Enjoy the ambiance with or without heat
- Accent lighting for greater warmth and ambiance
- Never replace bulbs thanks to LED flame technology
- Intuitive, multifunction remote for control at your fingertips
- Zone heat your space to remain comfortable, while reducing your monthly bills
- Up to 5,000 BTUs of supplemental heat

Multi-Function Remote

An intuitive multifunction remote control comes standard.

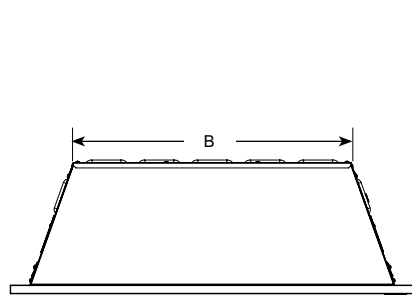

Surrounds (required for installation)
